## Overview

Open House Sat 8/10 11-1pm, Sun 8/11 1-3pm. Welcome home to this beautiful craftsman home with an enchanting garden terrain! This one owner home has been meticulously cared for. Enjoy the beautiful entrance flanked with an array of colors with mature plantings, and a gorgeous slate tile entry. Walk into beautiful hardwood floors on the main level. The spacious living room presents with a 9ft ceiling height, a gas fireplace for ambience and large windows to bring in an abundance of natural light. The gourmet kitchen boasts of granite tile, a large island, stainless steel appliances and the open concept floor plan lends to formal and casual dining with family and friends. The walk in pantry provides additional storage. This home has been freshly painted through out the interior and brand new upgraded carpet was just installed. The primary suite has a high vaulted ceiling, your own private bath with dual sinks, marble counters and a generous closet. The second bedroom showcases a balcony view overlooking the terraced garden and paved patio below. The outdoor space is an entertainer's delight with a paved patio, hot tub, terraced garden and tool shed for additional storage. The front yard has synthetic turf, no mowing needed and a wonderful array of flowers and mature plantings. There is parking for at least three cars and Rv space. The perfect blend of outdoor and indoor amenities for all the family in this low maintenance beautiful home! Central air

conditioning is included.
