Overview

Not very many of this lot type available nowadays especially on beautiful and popular Lake Miltona with some of the best sunsets around. This 1.2 acre wooded lot on 173 ft of gorgeous shoreline on Lake Miltona which includes a 1536 sq. ft. shed built in 2021. You will love the patios, gardens and concrete stairway with gentle slope to clear, hard lake bottom which is already rip rapped. What a great spot to build the home you have always been dreaming of.
