## Overview

Nestled behind Lithia Park is this stunning architecturally designed European home of stone and stucco, with old world charm and very private setting. Across the street from Lithia Park with beautiful views of the forested canyon, just 3 minutes from downtown and the Shakespeare festival and steps away from park trails, ideal for walkers, hikers or mountain bikers. The 2627 sqft home is on almost 1/2 acre. Enchanting gardens features 3 large waterfalls, fountain, pond, and beautiful landscaping with quaking aspens, weeping birch and maple (See video). Once you step inside the custom arched door, you are awed by the great room with a 24-ft vaulted ceiling, gothic windows and custom grand staircase. This home has 3 beautiful gas or wood custom fireplaces, grand master suite with Romeo and Juliet balcony. Central vacuum and new dual HVAC systems. Many custom features in this prized jewel of Ashland. Both sellers are licensed real estate brokers
