Overview

This stunning single story two bedroom features a luxurious open floorplan, a gourmet kitchen, and views of Laurel and Bloody mountains. Surrounded by wildflowers and water features this unit boasts 2 en suite bedrooms plus a powder room, a large primary bathroom with walk in closet, and a coveted mudroom to store all the gear that comes with mountain living. The wood fireplace and elegant hardwood floors adds to the home's warmth and charm while the 1856 square feet, high end stainless steel appliances, and surround sound makes it feel opulent and modern as well. One of the biggest two bedrooms in Mammoth, this unit is not to be missed.
