Overview

Back on the market at no fault of sellers. This gem has appraised for way above selling price! Here is your chance to own a slice of paradise. Experience the lifestyle of country living and raising your own crops. Drive through the gated entrance and discover a charming brick home that sits on a sprawling 21.75 acres. Enjoy one-level living and family time in your spacious kitchen that boasts a grand granite island and breathtaking panoramic views of the three sister mountains. Spend evenings admiring the views from the front porch or enjoy the serenity your back porch brings while stargazing. Inside, the lower level is packed with features: a huge den, bar, pool room, flex space, exercise room, and extra bedrooms. Outside, a bounty of fruit trees and crops await, perfect for your farm dreams—whether it's raising horses, cattle, or anything else your heart desires. This expansive land is a canvas for ideal lifestyle. Come experience the ultimate blend of comfort and country charm!
