Overview

Property has been professionally painted. Gone is the popcorn ceilings, wallpaper and borders with new laminate flooring. Unrestricted 17.391+- acres, this property offers a perfect blend of spacious living and agricultural potential. Step into the warmth and comfort of this 3 bedroom 2 bath brick home. The living room boast a wood burning fireplace providing a cozy atmosphere for those cool nights. The kitchen has plenty of cabinet space with granite counter tops. Check out the custom cabinet pantry with pull out shelves for plenty of storage. The property includes a 24 x 30 workshop with electric providing plenty of room for storage or use it as a personal workout space. The fenced and cross fenced property makes it ideal for those looking to raise livestock. Seller has cleared several trees and brush in the back to open it up for livestock but has left enough for the deer and other wildlife to roam. Come check it out! The opportunities are endless.
