## Overview

Don't miss out on this stunning fully renovated home situated on a corner lot. This beautiful home as been completely renovated from the ground up, with no expense being spared on the finishes and concepts. The light paint colors, stunning vinyl plank flooring throughout, and extensive windows throughout make this home light and airy. The beautiful kitchen features beautiful white cabinetry, quartz countertops, stainless steel appliances, and extensive backsplash. Step into your won retreat inside of the meticulously designed primary bathroom which features a beautiful walk in shower encased in glass. In the backyard you have ample room for entertaining under the massive pergola that perfect for enjoying those warm Texas evenings. Perhaps the best feature of this home is the detached Guest Suite which features its own private driveway, entrance, A/C unit, bathroom, and kitchenette. This stunning home is a MUST SEE! NO HOA
