Overview

Experience Waterfront Living at its Best! Step through the newly landscaped grounds and enter this spacious home featuring 285 feet of impressive wrap-around water frontage with a truly breathtaking panoramic view. Enjoy a gorgeous and spacious living room with hardwood floors, an oversized picture window offering breathtaking water views, crown molding, and a brick-front woodburning stove. The main level spacious primary bedroom features cathedral ceilings, wood flooring, a large sitting room, and a luxurious, fully tiled primary bathroom with double vanities and a modern walk-in shower. The primary bedroom also has sliders leading to a wood balcony overlooking Rock Creek. The tiled dining area, with French doors leading to a lovely deck, connects to a beautiful sunroom with double-story high windows finished in knotty pine showcasing a stunning water vista. The spacious kitchen boasts granite countertops, a breakfast bar with storage, open shelving, beautiful 42-inch cabinets, a high-end Thermador six-burner stove, and a pantry. On the upper level, you'll find a bonus space with a balcony overlooking the water. Two additional generously sized bedrooms and a second full bath with a soaking tub complete the upper level. The lower level features a partially finished basement offering endless possibilities for customization, a conveniently located powder room, and laundry room with oversized front-loading washer and dryer. Outside, enjoy a gorgeous multi-level wood deck and patio, all overlook a private dock with boat lift. A separate two-car garage offers additional storage and parking for multiple cars.
