Overview

Welcome to this delightful 4 bedroom, 2.5 bath, 2-story home, offering a blend of classic charm and modern convenience. Step inside to discover a thoughtfully designed layout w/ generous living spaces. The living room is bathed in natural light and is open to the dining room w/ wainscoting and slider to the rear deck spanning the length of the house. The kitchen boasts contemporary appliances and ample cabinetry w/ a functional layout. Upstairs are 4 well-sized bedrooms, including the primary with an en-suite bath for added privacy. Both full baths have dual sinks, tub/shower enclosures and bluetooth speakers in the light. Finished LL family room in today's colors w/ brick floor to ceiling fireplace. Unfinished area perfect gaming or exercise. Fenced-in back yard oasis complete w/ pool, deck and fire pit. Hot tub under house deck. Storage shed for convenience. Newer furnace + HWT 2021. A+ location - w/ in minutes to dining, shopping + area attractions. Appx 1/2 hr to PGH Airport + downtown PGH.
