Overview

North Shore building site! This 3/4 acre wooded lot is located just north of Two Harbors and has a common deeded access taking you down to the shore and views of Lake Superior. Lot starts higher in back and tapers down gradually. What a sight to see! This lot is not developed, so come and put your ideas together. Very nice homes and cabins in this small development. HOA applies once structure is built. Bring your map/plat page to understand the lot size and where shared access lies. No sign on property.
