Overview

Own your own piece of paradise with this ranch home on the edge of town on .75 acre park like lot with beautiful country view in back. Many areas to sit and enjoy nature with a pergola, gazebos, two patios, a deck, and three season room. The home has three bedrooms and potential for a fourth in lower level with zone heating. Kitchen features oak cabinets, double ovens, and built in wine rack. Past addition provides large first floor laundry and primary suite with walk in closet, full bath, and direct access to three seasons room. Three car attached garage plus 2 sheds and basement allow for plenty of storage spaces. Fifty years of pride in ownership will show throughout with this fantastic home.
