Overview

Step inside this multi-level home where so many great features await. New Front Door! The Upper level offers 3 bedrooms, 2 full bathrooms, a living room, a dining room and a remodeled kitchen with beautiful granite counters. Enjoy newer roof and HVAC system, wood floors on the upper and main level, crown molding throughout, warm colored walls, fenced-in backyard with a beautiful landscape, mature trees that give the feel of a public park. The huge family room in the lower level is a great space with brick wood burning fireplace, sliding glass door with access to the huge and gorgeous backyard. A canopy covering the patio is an additional feature that sets this home in style. Make your way to the basement and find an ideal space to set up a workout room, LL storage area and laundry. Resting on a corner lot with an amazing view, this home is simply amazing, beautiful and perfect. Make it yours today!!!
