## Overview

Welcome to Casa Mallorca by Studio Rob Diaz, crafted by principals Mark Alexander and Rob Diaz. Upon passing through the elegantly crafted wooden screened gates, you are welcomed into an oasis of sophistication and serenity. Expansive garden spaces unfold, adorned with cobblestone pathways and bespoke oversized Corten planters, enveloped in a palpable sense of tranquility. This hacienda-style residence epitomizes lavish living, boasting meticulously designed courtyards, artfully curated lighting, premium WaterWorks plumbing, and soothing clay interiors. Natural stonework graces every corner, setting this home apart in grandeur and elegance. The residence features two opulent living rooms, three lavish guest suites, grand primary quarters, and a cedar-clad pool house that embodies luxury. State-of-the-art home automation by Meljac and Crestron ensures seamless control over security, drapery, audio, video, and more, offering unparalleled convenience and sophistication. Collaboratively designed with Jessica Nicastro Design, this home is offered fully furnished with exclusive pieces from the world's most esteemed designers, each selected to enhance the sublime beauty of every space. This home is tailored for the most discerning clientele.
