Overview

Country living at its finest! This home has been meticulously maintained and upgraded over the past four years. Brand new appliances! HVAC replaced in 2021 and serviced annually. Crawl space is maintained by Crawl Space specialist. Bond with May Exterminating. This three bedroom two bathroom home boasts over 1800 heated sq ft of open living space and sits on over an acre of land. When you walk in the cheery front door you enter into a large living area with endless possibilities. The walls have been updated to accommodate hanging your own decor to personalize this house into your home. Continue through to the large dining room that is flanked by the kitchen space with a breakfast nook on one side and open living room on the other. The kitchen offers an abundance of cabinetry and storage as well as a pantry. The stove, refrigerator, and built in microwave are all brand new! Off the back of the kitchen is a separate laundry room with its own entrance. The primary bedroom has plenty of space with his and hers closets and large en suite with dual vanities, a soaking tub, and a stand up shower. On the other side of the home are two more generously sized bedrooms and a full bathroom. Step outside onto the covered deck to enjoy the NC skies. The fully fenced in backyard is perfect for entertaining, letting kids or pets run their energy out, or whatever

you can dream! There is a concrete pad with two sheds on it for extra storage. There is even a little structure for mail packages to be delivered to so they aren't exposed to the elements. Did I mention there is no HOA? The possibilities really are endless!
