Overview

2023 2 bedroom and 1 bath home used for AirBandB and another home which needs to be finished on interior. The site is approved for 4 - 2 bedroom homes and has existing septic and well designed for all. You could continue this plan or use a single family home, live in one and rent the other etc. The land includes a beautiful field and wooded area along with a 6000+/- square foot storage barn. Located on a snowmobile trail, near several lakes, good hunting, fishing and outdoor recreation.
