Overview

Charming 2-bedroom, 1-bath home located at 221 E Clinton St in the heart of St. Charles. This property, situated in the St. Charles school district, is close to the village center, offering the tranquility of country living with city conveniences nearby. Features include a newer high-efficiency furnace and tankless hot water heater (installed in 2021), foam insulated walls, city water and sewage, and excellent water pressure. While this home needs some TLC, it holds great potential for those willing to put in the work. Dont miss out on this promising opportunity!
