Overview

This charming, well-maintained 3-bedroom, 2-bathroom home has so many features to offer. As you step inside, you'll find a cozy den off the kitchen complete with a gas fireplace...perfect for relaxing evenings. The den opens up to a spacious deck overlooking the backyard, ideal for summer barbecues and gatherings. The three bedrooms are conveniently located on one side of the home, sharing a full bathroom for easy access and privacy. The partially finished basement is a true highlight, featuring a bar area for entertaining, an additional full bathroom, and a laundry room. Outside, you'll discover a large storage shed with electricity. This versatile space can store your lawn equipment or be transformed into a personal retreat. All appliances stay with the home, including the deep freezer and refrigerator in the basement. The Blink security cameras will stay as well. Updates: Furnace and A/C replaced in 2010, water heater replaced in 2016, water softener replaced in 2018. Don't miss out on this gem! Schedule a viewing today!
