Overview

Nestled on 3.68 private acres, this estate is accessed via a long driveway, offering exclusivity and serenity. The BEAUTIFUL house commands attention with its impressive street presence and expansive yard. Constructed by a skilled local builder, this home boasts a chef's kitchen complete with premium cabinets, appliances, and countertops. The home showcases exquisite details including oversized moldings, built-ins, crown moldings, wainscoting, and a coffered ceiling, all within a well-designed open floor plan that caters to the desires of discerning high-end buyers. Luxury finishes and meticulous attention to detail are evident throughout. Equipped with Smart Home Technology and Indoor AirPlus Program, this residence seamlessly integrates modern conveniences. Adjacent to conservation land and trails, it offers a harmonious connection to nature. Enough space for a pool, cabana, and guest house, while the walk-out lower level boasts a 9 ft high ceiling and full windows
