Overview

Woodlands of Watson is a 170-acre development nestled in the hardwood forests in the foothills of the Ouachita Mountains. This community provides spectacular views from elevated hilltops and serene beauty with seasonal creeks weaving through. Each of the private 2-5 acre lots ensures privacy and seclusion, paired with a grand timber post entrance and 2,300 feet of elegant split rail fencing. Water, electric, and fiber is run to each lot, with improved roads to give easy access. At affordable prices, Woodlands of Watson offers unmatched value for a home or second home. It is a great choice for those looking to invest in quality real estate. More information is available at woodlandsofwatson.com. Seller financing option is available. Listing agent has ownership interest.
