Overview

Welcome to your slice of paradise! This charming 4-bedroom, 2-bath home on over 13 acres is a dream come true for nature lovers. Enjoy the beauty and bounty of your own expansive fenced in garden, and orchard with an efficient irrigation system featuring berry bushes galore. The versatile pole barn adds functionality for hobbies or storage, while the serene landscape offers the perfect backdrop for relaxation and outdoor activities. Close to Lakes of the North which provided access to snowmobile trailhead and ATV trails. Discover your perfect retreat or endless adventure seeking opportunities. Experience the perfect blend of modern comfort and country tranquility, all just a short distance from Gaylord and I-75. This home is being sold with lot 184 in Lake Arrowhead association which is included in the sale. Call today for your personal tour.
