Overview

Did you know that the Town of Scotia has river access with a great spot to go fishing or maybe you prefer to kayak? There are redwood hiking trails, a place to ride bikes, a museum, a shopping center (with amazing tacos), a clinic, a post office, a theater and the Scotia Lodge?? A soccer field, a baseball field... Fireman's Park has BBQ's and public bathrooms. Who knew the town of Scotia was so special? Walk or roll across the tidy streets to so many amenities! You will love this bungalow home with the large bright kitchen and comfortable living room with wood floors/tons of windows. She stands out with large square footage and the extensive garden filled with fruit trees and flowers. Another reason this home stands from the rest is she comes with kitchen appliances
