Overview

Take a look at this 3 bedroom 1.5 bath home conveniently located in Hardinsburg. The layout of this house easily flows from one room to the next. One bedroom, both baths and the laundry area are all on the main floor. The two remaining bedrooms with large closets are upstairs as well as a sitting area. This home has new flooring in the dining room, living room and primary bedroom and has been completely repainted.. Crown molding, glass door knobs and a fireplace are just a few of the charming features this home offers. If you like spending time outside this home has a nice size backyard and has a covered front porch to sit on and watch the traffic pass.
