Overview

Urban style living in the heart of Lake Zurich! Stunning new construction nestled within mature trees by J.M.L.J. Construction. This 4, 433 square foot home on a rare half-acre lot features 4 bedrooms and 5 full baths. Each bedroom has its own attached full bathroom. Fabulous high-end custom-designed chef's kitchen with stainless steel appliances opens out to a spectacular family room with fireplace. Second floor primary suite with massive walk-in closet, primary bath with shower and soaking tub. Fabulous custom millwork details and American white oak hardwood flooring. Beautiful deck and professional landscaping await all your outdoor entertaining! Agent owned interest. Agent related to seller.
