Overview

Welcome to this first floor end unit that is in wonderful condition with lots of windows. Step thru the front door, and you are greeted by a spacious living room with updated flooring and a gas fireplace for those fall evenings. The eat in kitchen has a breakfast bar and space for your dining table. Loads of cabinets and stainless appliances included. The main bedroom suite has a private bath and walk in closet. The second bedroom has a large closet, and the guest bath features a shower over tub. In unit laundry makes living here a breeze. There are two parking spaces in the heated garage and a storage area.
