Overview

Enter into a foyer that leads to a living room with bay windows and formal dining room. The kitchen has wood cabinets, Granite counters, tile backsplash, black appliances (refrigerator, gas stove, dishwasher and microwave), disposal and pantry. There is access to the rear covered patio and wood deck. Sunken family room has gas starter fireplace. There is a half bath, laundry room with washer/dryer hook-ups, and access to the 2-car front entry garage with auto-openers. Upper level features full hall bath with tub/shower combination and two spacious spare bedrooms with vaulted ceilings. The master bedroom has tray ceiling, ceiling fan and closet. The master bath has dual sinks, soaking tub, separate shower with enclosure, and walk-in closet. No aggressive dog breeds.
