## Overview

Incredible opportunity to build your dream home with the highly esteemed Johnson Brothers construction! This modern rancher features TOP OF THE LINE finishes including upgraded LVP flooring, soaring ceilings, gas fireplace with rock surround, built ins, wood wrapped windows, open and bright gourmet kitchen with quartz countertops, stainless steel appliances, gas stove, full tile backsplash, and custom wood touches throughout. The oversized primary suite boasts tile flooring, custom lighting, large walk in tile shower, soaking tub, dual vanity, and spacious walk in closet. Oversized 4-car garage, large 0.24 acres lot, covered patio, and large covered deck to enjoy the peaceful views! Located in the highly sought after Morningside neighborhood with biking and walking trails, parks, and easy access to amenities, schools and I-90. Finish the lower level yourself or have the builder finish for you! Photos are file photos to show the similar finishes of the home to be built.
