Overview

New construction is Riverside estates, Town of Main with 1.8 acres midway between Wausau and Merrill. Beautifully designed with open concept featuring no steps or stairs. You read it right! This home has been designed with not only insulated heating but also the ICF insulated Block System that is one of the strongest and warmest walls built in today's construction world. This same in floor heat and wall system will be in your 1475 sq ft (3.5) car garage. Imagine having an expandable garage for entertaining! This 1.8 acres is large enough for a nice storage garage for future toys.
