## Overview

Discover your dream rural oasis with this 80 -acre property, featuring a cozy cottage. The cottage is complete with RV hooks for guests or even the potential for an Airbnb. The cottage is a one bedroom, one bath studio with tall ceilings making this space feel larger than life. The country cabin is the main home, and you will enjoy the seamless transition between the open concept kitchen, living room, and dining space. Inside you will enjoy 2 bedrooms and 1.5 baths. The main home has a large 2 car garage. Take in the breathtaking views from the covered porch enjoying the native grass and wildlife that is seen daily. Don't wait any longer to own your dream home schedule your showing today.
