Overview

Rare opportunity to own a mixed use building built in 2003! Work out of your own home or rent it out. The first floor living space offers an open plan loft downstairs. Partial walls presently create a bedroom area. Ample space for a beautiful living room/dining room area. Large open kitchen space. A fabulous loft apartment! Three offices upstairs with a kitchenette and shared half bath. Just a few blocks from the Fitchburg commuter rail and five minutes from Rte 2. Easement to parking spots behind the house. Street parking in front of the home.
