A very unique opportunity comes out of a sad story... That being said, this very unique 2 bedroom home, with a lofted bath sits on over 7 Acres of solitude with unmatched privacy and beauty. Home is in need of much clean up, work and restoration. The land features heavy woods, abundance of wildlife and an actual Wisconsin Bog. The tasks of this property are large. But, could be very well worth the effort. This may become a short sale because of impending foreclosure action. This sale will be as-is. Listing broker encourages diligence and inspections. Do not visit property with out an Agent or permission.
