Overview

Fantastic opportunity to own a multi-unit in a great location! Live in one unit and rent the other for income, or purchase as an investment property. This property has been loved for many years and is now ready for new owners to take over. The spacious first floor apartment has a large kitchen, two bedrooms, a large living room and separate dining room plus a full bathroom. You can't help but notice the beautiful, historic molding that adorns the rooms. The second floor apartment is one bedroom, a half bath, kitchen and living room. Established plantings surround the exterior. The slate roofed barn is a huge plus that is perfect for storage. Ample parking for tenants. Walking distance to schools, downtown for shopping, restaurants, library and more. Contact me for a tour of this property--I'd love to show you!
