## Overview

Welcome to your dream home! This stunning three-bedroom, three-bathroom brick house is fully updated and move-in ready. It features a nice office that the sellers also used as a bedroom; however, it technically remains an office due to the absence of a window. Featuring gorgeous flooring throughout, each bathroom boasts custom-tiled walk-in showers, with one offering a combined tub and shower for added convenience. The spacious kitchen is a chef's delight, with a custom tile backsplash and an open layout that seamlessly connects to the dining and living areas, perfect for entertaining family and friends. This home is ideal for a growing family, offering plenty of space and modern amenities. All bedrooms are thoughtfully located on one side of the house, ensuring privacy and tranquility. The large laundry room and an additional bathroom. It would make an excellent hunting lodge for outdoor enthusiasts. Located in the heart of public lands, this property is just 20 miles from prime hunting grounds, including Dagmar WMA, Cache River National Wildlife Refuge, Wattensaw WMA, Benson Creek Natural Area, and the White River, with over 100,000 acres of diverse and abundant wildlife habitats.
