Overview

This spacious 4 bedroom, 2 1/2 bath home on a corner lot has so much to offer! The stunning original woodwork greets you as soon as you walk in the door. The main level flows from the living room, dining room, den, and mud room to a large kitchen with Amish cabinetry and breakfast nook, a family room with wood burning fireplace, laundry, half bath. The primary suite is tucked away in the back and boasts a large bedroom with walk-in closet and bathroom with glass shower and double vanity. The second floor has 3 more bedrooms and a full bath. The garage is 26' x 26' and has an oversized 8' x 18' garage door. There is a full, unfinished basement under the original house, and a crawl space under the primary suite addition. Exterior features include a large front porch with oversized swing, a back deck, and a patio for outdoor dining. Water heater 2002, Boiler 2018. Central air system serves primary suite, back of kitchen, and mud room.
