## Overview

Construction just started and now is time to choose your own finishes!! Welcome to your dream home! This stunning new construction home is situated on just over 1/2-acre lot, offering a great rural community setting within the township of Raisin, yet still very close to downtown Tecumseh. You'll love the highly desirable neighborhood, with no HOA and well/septic. Construction Anticipated completion of end of November! You'll appreciate our 1636 plan with storage space in mind, with a basement foundation you have the option to add future bedrooms/bathrooms. Enjoy the open concept living with a large great room, lots of windows and open concept and spacious kitchen perfect for entertaining. Agent is also the builder, ensuring a seamless construction process and purchase!
