Overview

These two lots on the Kootenai River with app. 126 ft of frontage, would make a great vacation spot for the family, Or build your dream home. Great views of the river, and with a permit could put in a floating dock. Level, Treed lot has a lot to offer. Septic was installed in 2000, for a two-bedroom home. Will have to be tested to be in compliance with county permitting. Power is on the road and would need to have a well drilled. Close to the boat launch area at the end of Beachward Trail. On a dead-end road to furnish you with peace and quiet. Close to USFS access for all your outdoor activities. Call Sharon S Denton, or your Real Estate Professional.
