Overview

Dream of owning your own acreage? Here is your chance! 4.00 acres of vacant land with no CCandRs available in north Spokane, minutes away from Suncrest, Deer Park and Wandermere. Building pad already installed. Unique combination of wild, rolling hills and views with options for build sites or plain old recreation is ready for you to visit and make an offer! Power box nearby(see photos). Wildlife is everywhere. Road access included. Need a well? We can connect you with local well drillers so you can install your own. Dont have local building connections? Ask us about our connections with local home, shop and road contractors. Have your own builder? Bring them! Think this location is too far out? Think again! Long Lake water access, Riverside State Park and other year-round Spokane activities are all a short drive away. Looking to owner finance? We offer it! Not sure this is the right location or price? We have more options on the way! Give us a call to make your dream acreage a reality TODAY!
