Overview

Beautiful new construction home in one of Greenbrier's newest subdivisions. Enjoy high speed fiber internet here! Nice living room with an electric fireplace. The kitchen is a dream with expansive countertops, plenty of cabinets and the amazing hidden pantry. The laundry room joins the primary closet which circles through to the primary bathroom. In the primary bath is a custom tile shower, soaking tub and dual vanities. Lockers located as you come in from the garage with lots of extra storage. Luxury vinyl flooring throughout with granite countertops in kitchen and bathrooms. Plus the 3 car garage is a huge upgrade. Come see this home today! Completion at the end of June. No neighbors directly behind this house.
