Overview

Love at first site when you pull into this property and see the curb appeal! But wait there's more...when you get inside to enjoy the updates and functionality of this beautiful home you will be awe struck. Upon entering the new front door you are greeted by an updated living room with new flooring that goes throughout this level and the basement family room. Enjoy not only the natural light that this home provides but also the updated lighting as you make your way to the dining room and kitchen with its new countertops, backsplash and 2 year old appliances. As you make your way to the upper level enjoy the fully updated bathroom, large primary bedroom with lots of closet space and the 2nd bathroom. The basement level has a pellet stove with newly installed mantel in the family room, 3rd bedroom, 2nd bathroom and finished laundry area. The 24x24 attached garage has space for many entertaining activities plus access to the large fenced backyard.
