## Overview

Discover luxury living in Bellaire with this stunning home on a large corner lot. Recently renovated to perfection, this property features a newly added pool and spa, complemented by lush turf and updated patio flooring for seamless indoor-outdoor enjoyment. The home boasts elegant window treatments and a spacious layout with all four bedrooms on the second story, plus an additional study that can serve as a fifth bedroom. The expansive third story game room provides ample space for entertaining and relaxation. This exceptional residence offers both style and functionality, making it the perfect place to call home.
