## Overview

Welcome Home! Enjoy privacy and beauty in this home with approximately 25 sprawling acres. This ONE owner, QUALITY built, custom ranch offers; a timeless floor plan, beautiful living room with fireplace, formal dining room, eat-in kitchen, large laundry room, music room/library, and two oversized bedrooms on the 1st floor. Enjoy cooking in the spacious kitchen with island, a double oven, tons of cabinets, and counter tops for workspace. The formal dining room is open to the living room, excellent for entertaining. The master suite offers a huge walk-in closet, fireplace for chilly nights, and access to the oversized deck. The second bedroom on the main level is roomy! The finished basement allows for multi generation living, complete with a 3rd Bedroom, 2nd kitchen and SO much more storage and living space! HUGE family room with fireplace and built-ins is perfect for game nights, movie nights, or overnight guests. Beautiful outdoor areas include wrap around covered porch, large patios, firepit, and treehouse. Plenty of room for gardening, outdoor play and small animals. This home offers a serene setting and endless opportunities for outdoor activities. Two Morton outbuildings provide for storage, workshops or outdoor toys. (One building has heating and air.) Country living at its finest, schedule your showing today! Home is in a trust and being sold As Is. The beginning of the driveway is an easement. Home has an elevator that was serviced and inspected

in July 2023.
