Overview

Welcome to this stunning one-story home has the WOW factor from top to bottom, nestled in the great Woodbridge neighborhood. Boasting three spacious bedrooms, office with French door, and formal dining room located right off the entry. The kitchen has plenty of storage cabinets and flows into the inviting living room, creating the perfect space for entertaining or family gathering and soaring 20-foot ceilings. The home includes hard wired surround sound speakers throughout. Positioned right off one of Woodbridge's scenic hiking, biking, and jogging trails, access to multiple community pools, parks, Woodbridge golf course and club house. Walking distance from the splash pad at Sachse City Park! this home offers the perfect blend of tranquility and convenience. This one-story home designed for comfort and style.
