Overview

A beautiful level lot located in the Fayetteville School District! This lot is located in a waterfront community but not on the water. Drone pictures show how close Lay Lake is to this fabulous property. Only about a mile to Cedar Creek Marina where you can launch your boat, join fishing tournaments and enjoy the lake! There is so much amazing history in this area and fun stuff to do! Very close to Purcell Farms award winning Farmlinks golf course, restaurants, Orvis Shooting Grounds, off road riding, lodge and Spring House Spa. A fantastic level lot with hardwoods and an old access road to the far right where you can walk the property. Electric, gas and water available. No build timeline and no mobile homes! Perk test done by old owner and survey is available. Come build your dream home in this wonderful community!!
