Overview

Don't miss this stunning farmhouse sitting on a lovely 3.65 acres: close to Ft Knox and easy commute to Elizabethtown and amazing updates! New exterior pictures coming soon with brand new siding!! This home features a great living space with fireplace and access to a sunroom, and bay window rooms, perfect for office or bedroom letting in tons of natural light. Easy walk-through flow from living to dining and kitchen area where you will find plenty of cabinet space, a breakfast nook, island, and more. Bedroom, full bath, and laundry on the main level and then head upstairs to see the huge primary bedroom with updated ensuite bath featuring soaking tub, tiled shower, and walk-in closet. Two more spacious bedrooms and full bath complete the upstairs living. Partially finished walk-out basement for more living, laundry, and storage options, then head out to the back deck for outdoor dining and entertaining. Be sure to schedule your showing today!
