Overview

Elegant and solidly built, Venetian Pointe condos are the best of the best. Convenient elevator building. Top floor with grand views. Hardwood floors throughout with 9' ceilings. The building has radiant heated floors throughout. Kitchen equipped with stainless steel appliances, and black granite countertops. Open floor plan with combination living and dining room. Triple sliders to sunny southern views and large balcony. Giant primary bedroom with huge WIC with custom organizers. Primary bath with whirlpool tub, separate shower and double vanity sinks. Large second bedroom with adjacent full bath. Roomy laundry room with full sized washer/dryer, Building has exercise room and party room. Heated garage parking space with private storage closet. Monthly assessments include heat, gas, water, lawn, snow, exterior maintenance. This condo is in an excellent location where you can walk to shops, great restaurants, banks, movie theater and more. Minutes from expressways and Metra. This is the location and the unit you have been waiting for! This is only 1 of 4 units that are allowed to be rented, this is written into the bylaws.
