Overview

This is country living at its best and yet so close to all the conveniences you need. Paved road access and just a couple minutes off Hwy 60 and about 10 minutes to Republic. The home is situated in the center of 5 acres with a private entry and drive, a large parking pad and a garage/ workshop. The home is clean and bright with good natural light. There are many interior upgrades that give it a modern feel and new this year are the stove, dishwasher, Culligan drinking water filtration system and Night Owl security cameras. The home has two wonderful patios of which one faces the east for the sunrise and the other faces the west for sunsets and overlooks the pasture.
