Overview

This two-bedroom Ranch home was built for energy efficiency and low maintenance. The home has everything on one level you need, from the large eat-in kitchen, 24x14 living room with large windows with wonderful views of the private backyard, 19x18 primary bedroom, with walk-in closet and on suite bath, a guest bedroom, and full bath. The laundry/mud room is just off the attached oversized two-car garage with lots of storage/built-in cabinetry and a work area. This home has zoned electric heat, steel siding, and a nice, shaded yard, enjoy this summer on the nice, shaded patio area.
