Overview

Welcome to the market! A beautiful shop house, 1800 sq ft home nestled in the Ozarks with vista views of the hills across and behind the property. The home has 1 bedroom, 1 and 3/4 bath with 2 additional rooms that can be utilized at bedrooms, beautiful tile and vinyl flooring throughout for easy cleaning. Extra large laundry room with lots of storage, 1/2 bath and separate step in shower for guest. The bedroom has its own bathroom with air-jetted tub/shower combo, double vanity and huge walk-in closet. High ceilings in the living room with lovely stained wood make it feel warm and inviting. The cute kitchen is well designed has a natural rock accent wall that really makes it pop and the pretty countertops sit atop custom made solid oak cabinets, there is also a custom made solid oak pantry all stained in a beautiful rich brown stain. There is a one car carport, also a one car garage with extra storage and a lean-to shed attached for even more storage. This beautiful 4.37 +/- acres has approximately 540 ft of highway 9 frontage and is partially wooded and has a large, stocked pond, creek, walking trail through the woods and small chicken coop stays. This property is fenced on 3 sides.
