Overview

THIS COUNTRY FARM HOME IS CONVENIENTLY LOCATED JUST NORTH OF THE VILLAGE OF MILAN. It features 3-large bedrooms, 1.5 baths, main level laundry and plenty of comfort with a sizable kitchen area, living room, and formal dining area. Some insulation, some newer windows and to a portion of the siding have been updated. This home shows plenty of potential and just waiting for your finishing touches. The 32x32 foot garage was added in the late 80's and features plenty of storage and work space for its new owners. The septic is a 10, 000 gal. holding tank for convenience and a large yard area is great for kids to enjoy. The barn, storage shed and former poultry building have no value to the property.
