Overview

Welcome to your new construction rambler with 3300 sq ft of finished living space! This home features a spacious foyer, and an open living, dining, and kitchen area with a large center island. Cozy up by the fireplace or enjoy your morning coffee on the deck. The primary bedroom offers his and hers closets and a walk-in shower with a glass door. Two additional bedrooms and a full bath on the main level are perfect for guests. The laundry is featured on the main level as well, offering convenient one level living. This energy-efficient home also includes an optional bonus room over the garage, ideal for an office, playroom, or extra storage. The basement is a fully finished walkout and offers a spacious family room, storage, 4th bedroom and full bath. Experience beautiful and functional design in a super convenient location. Your hunt for the perfect home is over! Move right in and make this gorgeous new construction your own.
