Overview

This beautiful home located in the desirable Northwest Oaks subdivision was built in 2017, and sits on an expansive level lot, ready for you to make it into your own oasis. The interior offers the perfect blend of style and functionality. 3 bedrooms and 2.5 bathrooms are on the main level. The large finished space upstairs is currently being used as a bedroom but has endless possibilities. Back downstairs you can unwind in the luxurious master suite, showcasing a breathtakingly remodeled bathroom. The chef's kitchen, complete with a massive island, is a culinary enthusiast's dream. For added security, a storm cellar is discreetly tucked away in the 2 car garage that also has added overhead storage for all your seasonal decor. If you've been looking for a move in ready, newer built home in a great location, this is it! Lets get you in this one before its gone!
